

SPEED PRESENTATIONS : NOT FOR PROFITS

THURSDAY, MAY 19, 2011 @ 6:30 PM // HERMAN MILLER // 1177 AVENUE OF THE AMERICAS

The Speed Presentation series was created by the AIA NY Interiors Committee to showcase our colleagues in the New York Chapter who are designing outstanding interior spaces. The format of the event—**10 firms each presenting in quick-fire 6 minute intervals**—allows us to explore a range of projects in a fast-paced and novel way.

This edition of the series will focus on **not-for-profit interior projects**. Designing for such organizations brings unique challenges. Shoestring budgets demand ingenuity and inventiveness from the design team. Expectations can also be high on delivering spaces that reflect the not-for-profits' culture and mission—an organization may be providing service to the public and their actual space is often integral to this service delivery. Also, a highly energized staff at these organizations is crucial to the success of the mission—when salaries can't match their corporate counterparts, not-for-profits look for the quality of their workplace to attract and retain the best. Join us for this exciting presentation event!
